

Atanas Atanasov

JavaScript/TypeScript Engineer

Varna, Bulgaria / atanas.info / github.com/scriptex / scriptex.bg@gmail.com

My focus is delivering tested, standards-compliant, optimized and scalable code while implementing accessible, rich and beautiful user interfaces which provide the best possible user experience.

I've spent more than 10 years converting designs into pixel-perfect UIs.

With strong experience in any aspect of the front-end development, I can help you achieve your goals.

React, Angular or Vue, SASS or PostCSS, JavaScript or TypeScript, PHP or NodeJS: you name it and I will implement it.
